The quality of service is beyond anything I've ever experienced. All the hygienists are excellent, they're capable and friendly, and make visits quick and painless. Dr. Robertson is probably the nicest dentist I've ever met and he definitely knows his stuff. Above & Beyond will always be the practice of choice for me and my family.

Went in to see Dr. Robertson today and his wonderful staff! As usual my visit was on-time and I could not have been treated better. Also had a lot of pampering which is always nice! I highly recommend Dr. Robertson for anyone looking for the best dentist and staff around!!

Hands down the best dental office I have found since moving to Texas. The staff is incredible and Dr Robertson is amazing. The atmosphere is warm and inviting and they take the time to go over everything and answer all your questions.
